

27-29. MAY 2020

NORDIC DAIRY CONGRESS

DAIRY OPPORTUNITIES OF TOMORROW

Invitation for students

Some corporates and organizations have kindly donated student sponsorships with the aim of offering dairy students a unique chance to join this congress free of charge. Furthermore, it is a great opportunity to be part of the dairy network and meet your fellow students from other universities and colleges. The number of participants depends on the number of sponsorships and you are welcome to contribute with a minor amount when registering. Are you interested and meet the criteria mentioned below, we encourage you to submit your application to the Nordic Dairy Technology Council:

1. Students must have residence or be a national of one of the Nordic countries or UK and be a university (or highest national level) dairy student.
2. Students that are due to finalize their studies will be prioritized, since they are expected to benefit the most from their participation.
3. The Nordic Dairy Technology Council will approve and select the applicants in accordance with the number of sponsorships and qualifications.
4. Find link to the application form in the e-mail.

**Submit your
application before
22 January 2020**

**If your application is
approved and selected,
your travel and
participation are free.**

**Copenhagen students
who do not
accommodate in Malmø
