Nordic Dairy Congress

SPONSORSHIP BROCHURE

- Unlock the POWER OF DAIRY for people and the planet!

REYKJAVIK, ICELAND 20-22 MAY 2025

Nordic Dairy Congress

For more than a century, dairy organizations from Denmark, Finland, Iceland, Norway, and Sweden have organized the Nordic Dairy Congress. Since 2018, the UK is also part of this collaboration, and the six countries together form the Nordic Dairy Technology Council, which organizes the congresses.

The Nordic Dairy Congress is the place where dairy stakeholders from all Scandinavian countries meet. The 46th Congress will take place in Iceland and will provide participants with a perfect opportunity to combine 3 days of new dairy knowledge and network with stunning scenery – and maybe create new business opportunities.
