3 Tuesday, 20 May - 14:00 - 15:30 Gold sponsor! GEA "Dairy beyond the ordinary"

The event is located on the second floor in room HI. GEA and NDC can access the room starting at 8:00 AM.

The atmosphere in the room is cozy and informal, featuring a mix of high tables and groups of chairs.

Pop-up walls and roll-up displays are permitted, and the presence of two large screens facilitates digital promotions.

Available refreshments and beverages included: Small sandwiches and fruit Soft drinks Coffee and tea

SILVER

B Tuesday, 20 May - 15:45 - 17:15 Silver stage

The event will continue in HI, ensuring a seamless transition from the GEA event.

From 15:30 - 15:45 silver sponsors are allowed to set up items such as roll-up banners or other smaller promotional materials.

Coffee will be available for attendees.

Each silver sponsor has the opportunity to present from the stage for approximately 7 minutes. The presentations must be forwarded to the secretariat no later than 2 May 2025. E-mail to info@nordicdairycongress.com

The Silver stage setup allows silver sponsors to introduce a specific theme, which attendees can explore further by visiting the sponsor's booth during the open space sessions at the congress.

We highly recommend avoiding presentations that focus solely on company promotions or sales pitches and instead use this opportunity to provide attendees with valuable insights on how the sponsor can support in their companies' development.

Tetra Pak invites to a Get-together gathering for all attendees in the exhibition area located on the first floor. This event will take place immediately after the conclusion of the Silver stage.

Tetra Pak will provide refreshments and drinks for the guests.

All booths will operate during this event.

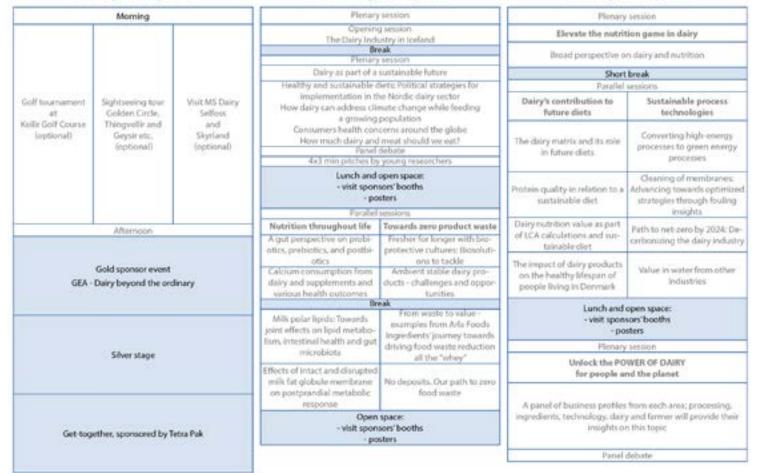

The sponsor area is placed at the heart of the venue. Throughout the congress, participants will mingle around during coffee and lunch breaks. Special exposure is guaranteed during the Tuesday's get-together and for one hour following the conclusion of the conference programme Wednesday afternoon.

The diagram below highlights in blue all segments of the matrix where sponsors will be showcased. It is essential for the booth to stay open and active (excluding the GEA Event and Silver stage).

Tuesday, 20 May 2025

Wednesday, 21 May 2025

Thursday, 22 May 2025

To encourage attendees at the congress to visit your booth, a competition will take place from Tuesday (20 May) when the booths opens until Wednesday (May 21) at 17:15.

Purpose?

To motivate participants to engage with sponsors at their booths. To allow sponsors to showcase their business or key products and interact with attendees.

What should you do?

You should determine what to highlight in the competition and/or at your booth. We recommend promoting a new product, insight, or business opportunity. For silver sponsors, this will likely align with the theme presented during the Silver stage.

Prepare a brief teaser about your theme (no more than 150 words). All teasers will be compiled in a <u>small booklet</u> from NDC 2022, which will be distributed as a hard copy to all participants.

During the congress?

The competition will run from Tuesday afternoon until Wednesday at 17:15.

Participants must visit at least six booths and talk to the sponsors to obtain a mark or stamp on a coupon from the booklet. After collecting six marks, participants can enter the competition by submitting the coupon in a designated box.

Open space on Wednesday

Attendees are invited to visit the booth and as a conclusion to Wednesday, 21 May, refreshments (wine, beer, etc.) will be served for one hour after the presentations conclude. Link to Sponsor event NDC 2022

Lottery

Winners of the competition will be selected by lottery. The number of winners will depend on the gifts provided by sponsors and purchased by the NDC-organizer.

Silver sponsors receive 2 complimentary entries.

Bronze sponsors receive 1 complimentary entry.

Please provide us by e-mail:<u>info@nordicdairycongress.com</u> as soon as possible with the name(s) and e-mail adress(es) of the person(s) from your company who will use your complimentary entry(ies). Once we receive your information we will send a link for free registration directly to your attendee(s).

A significant number of rooms have been pre-booked and are available for individual booking at the Hilton Reykjavik Nordica. The prebooking period runs until 23 February. To ensure availabiliy we encourage you to book your rooms before this date. Link to NDC-prebooked rooms at Hilton will appear at your confirmation order after registering for the congress (independent whether for free or paid).

5 Your arrival and goods

Goods send to Hilton

If you need to ship any goods to Hilton Reykjavik Nordica, please follow the instructions from the hotel below:

For the deliveries, please make sure that the paperwork for the shipment is done correctly, thus avoiding Icelandic customs issues and VAT charges from them. The shipment must be sent clearly marked with 'marketing material, no monetary value'. It you put any value on it in the shipping papers, the customs will calculate a 24% VAT charge, admin charges and other import charges and the hotel will not accept such cost. It is very important that all paperwork is marked DDP (Duty Delivery Paid) and as a temporary import.

As Hilton has very limited storage space, larger packages/shipping of pallets etc. must be coordinated with the NDC secretariat. Goods must arrive before the congress.

Shipping Address smaller packages

HILTON REYKJAVÍK NORDICA Kt. 999999-9999- (Very important that this number is used) Suðurlandsbraut 2, 108 Reykjavík Iceland Contact person at hotel: SIGRÚN JÓNA NORÐDAHL Manager Sales Operation Nordic Dairy Congress

Leaving your booth

After the congress the material has to be prepared for return and all papers handed over to Hilton conference staff if they are asked to oversee the pick up from the shipping company. Package along with all paperwork can be left at the exhibiton booths. The hotel will request a confirmation from each booth if they will leave any packages behind before the event is finished.

The exhibitor is responsible for any damage caused to the exhibition area.

Safety and Security

Helium balloons are not allowed. It is not allowed to light candles, cause heat, smoke or steam within the structure. Smoking prohibited at Hilton Reykjavik Nordica.

6 Optional sponsor promotion

You have additional options to promote your business.

You can:

- Contribute with a gift for the Golf Tournament
- Provide a gift for the Sponsors Competition
- Supply conference bags
- Include your promotional item in the conference bag.

Kindly inform us about your preferred promotional items coordinating with the NDC-secretariat to avoid too many similar sponsor gifts (e.g. 10 pens or USBsticks). Practical information

Staying Informed:

Download the Conference app. To access information of the Nordic Dairy Congress in the app, you first need to register. You may find the link to the app in the confirmation e-mail after registration, or you can access <u>HERE</u> directly.

This app will facilitate communication throughout the congress, and you will be able to view the programme, a list of participants (only those who have consented to be included), maps, and your own registration details within the app.

Briefing for Sponsors:

On Tuesday, 20 May, you are invited to a sponsor briefing. Please let us know who you would like us to invite to this session. If you need to contact the organizers during the congress, please visit the information desk or reach out via call/SMS at +45 29 99 42 81

or +45 51 72 60 98.
